

The most popular pay and play golf course in Berkshire

Dear Golfer,

Thank you for your enquiry about membership of Billingbear Park, which is affiliated to the Berks, Bucks and Oxon Golf Union and the English Golf Union.

The club runs a medal competition, on the first full weekend of the month and the first Wednesday of the month. It also runs a Stableford competition, on the third weekend and third Wednesday of the month. Competition entry is £1. In addition a number of other club competitions are arranged for members during the year. Members playing in competitions are given preferred tee times and if necessary, introduced to fellow members with whom they can play. At the end of the membership year in June, all competition winners are presented with their awards at a prize giving evening.

Members handicaps are maintained under CONGU rules and members without a handicap may obtain one on completion of three 18 hole cards. After every competition the current handicaps of members and competition results are displayed on the notice boards in the clubhouse.

Our weekend morning membership is full at present but we are able to offer memberships for those who can play on weekend afternoons and /or midweek. Membership is £78 per full year (inclusive of VAT) a proportion of which is paid to the Golf Unions indicated above. Fees for golfers who join later in the year will be calculated according to the months remaining in the club year.

The clubhouse staff will be pleased to provide any further information you may require about joining the club or to accept completed forms and payment for membership. Payment for the appropriate amount may be made by credit card or by a cheque made payable to Billingbear Park Golf Course
